

Cancellation Policy/No Show Policy For Doctor Appointments & Procedure/Surgery

- ***Cancellation/No Show Policy for Doctor Appointment***

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly “full” appointment book.

If an appointment is not cancelled at least 24 hours in advance you will be charged a fifty dollar (\$50) fee; this will not be covered by your insurance company.

- ***Cancellation/No Show Policy for Procedure/Surgery***

Due to the block of time needed for procedure/surgery, last minute cancellations can cause problems and added expenses for the office.

If a procedure/surgery is not cancelled at least 24 hours in advance you will be charged a hundred dollar (\$100) fee; this will not be covered by your insurance company.
